title: testing the rmd render functionality

Roxygen comment blah blah

Regular R comment blah

```
library(tidyverse)
```

```
head(cars)
```

```
##   speed dist
## 1     4    2
## 2     4   10
## 3     7    4
## 4     7   22
## 5     8   16
## 6     9   10
```

```
knitr::kable(table(cars$speed))
```

Var1	Freq
4	2
7	2
8	1
9	1
10	3
11	2
12	4
13	4
14	4
15	3
16	2
17	3
18	4
19	3
20	5
22	1
23	1
24	4
25	1

```
# another regular R comment
```

some more roxygen comments

this time spread over multiple lines (should start with level 2 heading) * bullet 1 * bullet 2

```
hist(cars$dist)
```

Histogram of cars\$dist
